Introduction

Founded in 1973, Tomche Shabbos of Rockland County has been providing Shabbos and Yom Tov food packages to the Anyim of our community on a regular basis. Initially, there were only seven families that required our assistance. The packages were sent from Williamsburg on a bi-weekly basis, and distributed by volunteers. Late at night, the food was driven to the designated locations, whereupon the box was discreetly left at the front door.

Unfortunately, as the needs of the community grew and more families required help, the organization had no choice but to become self sufficient. This was accomplished by local food merchants contributing outright, or at greatly reduced prices, all the basic components of complete Shabbos Seudos. In addition, late at night, many Yeshiva Bochurim join in the effort after their night seder, alongside doctors, lawyers, and businessmen, to lend a hand in this all important project.

Today, we are faced with many people in financial distress looking to us for help. Some people have lost jobs, some businesses have been closed, and illness or disability of the family bread winners have left families in desperate need. Tomche Shabbos of Rockland County responds to these situations with programs that now include job placement and financial counseling, as well as the Shabbos packages.

We remain firmly dedicated to providing assistance when and where these emergencies occur. We always hope that they are few and far between. However, when faced with these situations, our dedicated volunteers working through the night can meet these challenges only with your continued support.

In Memory of R' Chaim Munzer

The life story, goals and accomplishments of R' Chaim Munzer ע"ה personify what Tomche Shabbos is all about.

He grew up in difficult economic circumstances in pre-war Galicia, lost his entire family in the war and was on the run for six years in Russia experiencing what starvation is all about. He never lost faith and was always מדקדק במצוות in the most difficult of circumstances. With the help of his life partner Sara Munzer ע"ה, he rebuilt a life in New York and raised a family based on תורה, חסדים ומעשים טובים. He conducted his life in a quiet unassuming manner, always cheerful and שמח בחלקו, while never forgetting those in dire need.

He leaves a legacy of אהבת תורה ואהבת ישראל to his children, grandchildren and great grandchildren. He would be very proud to see how his offspring are engrossed in חסד and לימוד תורה.

The family takes great pride in the fact that Tomche Shabbos has been named in his memory. May his זכותים and מעשים טובים reverberate and multiply through the work of Tomche Shabbos and that of the דורות that he nurtured and sustained.

Message from Alan Rosenstock, Director

Yesterday we watched in admiration as our parents carried the burden of the מוסדות in Klal Yisroel. We watched in awe as they undertook significant challenges, established institutions, erected buildings, and expanded the scope of what defines Klal Yisroel. With the passage of time, the torch of responsibility was passed to us. Slowly, unsure of ourselves at first, we stepped into roles of commitment as we began to respond to Klal Yisroel's challenges. Today our generation shoulders the responsibility and bears the burden of the many challenges facing Klal Yisroel. Tomorrow we will call upon our children to step into roles vacated by us.

But tonight, we bear the torch of commitment. We are temporary guardians of the institutions that define Klal Yisroel. It has been left to us to rise to the occasion and step into the significant roles of those who have preceded us. In doing so, we must address today's challenges with confidence in the *Siyata Dishmaya* that accompanied our parents in their journey, as well as previous generations. We are firmly convinced, that the same *Siyata Dishmaya* that is guiding us today will accompany our children tomorrow.

Being temporary bearers of the torch carries with it a responsibility. Tonight, the eyes of the Jewish world are upon us. How we respond to ever increasing challenges will determine in what state we pass the torch to our children.

Let us rise to the occasion and meet each challenge with dedication and fortitude. When we pass the torch to the next generation, let it not be said that we shirked our responsibility to shoulder the burden adequately.

The tasks before us are neither simple nor easy. Nonetheless, when we come together with true dedication and a desire to live up to our role as temporary bearers of the torch, no task is too great, no problem insurmountable. With courage, commitment and considerable *Siyata Dishmaya*, we must rise to the occasion and keep the light aglow, for tomorrow we will pass the torch to our children.

With wishes for much ברכה והצלחה,
Alan Rosenstock

MARK & RENA NUSSBAUM

GUESTS OF HONOR

The Nussbaum Family has earned a reputation for excellence and dedication to Klal Yisroel.

In inaugurating the Allen Nussbaum Award for Excellence in memory of your late father, you continue that legacy.

As Guests of Honor, you have honored not only the memory of your late father, but להבדיל בין חיים לחיים honored your mother as well. Tomche Shabbos is proud of your continued participation in its work.

May הקב"ה grant you and your family
אריכת ימים ושנים in good health
and with much הצלחה.

MESSAGE FROM RENA & MARK NUSSBAUM

Dear Friends:

We are humbled to be a part of the Tomche Shabbos of Rockland County Dinner. We are honored to be joined by the other esteemed honorees. Over the past few months, we have spoken to Mr. Alan Rosenstock on several occasions about Ari Cohen, who is receiving the Youth Leadership Award. A young man, who in his teenage years has already proven to be a baalei chessed and will no doubt continue to grow and be a source of nachas to his family and klal Yisroel. Mr. Rosenstock has also relayed to us the wonderful story that is Yossi and Gila Shandelman. In short, Mr. Shandelman, while trying to help himself find gainful employment has been a foundation for helping others find the parnassa so desperately needed to keep their family afloat. Mr. and Mrs. Shandelman are receiving the inaugural Allen Nussbaum Award for Excellence and I couldn't be happier with the choice. They mirror what my Father (obm), would have always wanted his name to be connected with, people that not only give, but give wholeheartedly and give in the best way. Mr. and Mrs. Shandelman help others find work and as the Rambam (*Hilchos Matnas Anyim*) tells us that "the highest level of *tzedakah* beyond which there is none, is supporting a Jew who has fallen into poverty by... finding him work so that his hand will be fortified so that he will not have to ask others." It is the gift that keeps giving and can hopefully allow the recipient to one day be a donor to this great cause.

I recently read an article from Rabbi Y.Y. Jacobson where he relates an episode from the gemora. Yakov was on his deathbed, surrounded by all his children and he felt the shechina leave him and was worried that it was because one of his children would not follow his ways. The shivatim responded and said shema and "Just as in YOUR heart there is only One, so too, in OUR hear there is only ONE." The shivatim response is puzzling as we ALL KNOW what is in Yakov's heart, the only question here was the shivatim. They should have said in our heart, there is only One, or also only One. The answer is simple and amazing. We can teach our children, but if we don't act accordingly, it will not have the same meaning. The shivatim's response is really, THE REASON THERE IS ONLY ONE IN OUR HEART IS BECAUSE IT MIRROR'S YOUR (Yaakov's) HEART, AND IN YOUR HEART THERE IS ONLY ONE. We were lucky enough to have a Father (Allen Nussbaum obm) who taught us to love Hashem and how to be a mensch, but more importantly acted the same way. It is his and our Mother's honor and zechus that we are here today being recognized by Tomche Shabbos.

We want to thank our families, friends, clients and colleagues who have donated generously in our honor to Tomche Shabbos. The amount of support is almost humiliating and we can never thank you enough. Under recognized and certainly underappreciated are Mr. Alan Rosenstock and his devoted team at Tomche Shabbos along with all the weekly volunteers. This doesn't happen without you. We have never seen someone more dedicated and persistent and wish you and the entire team a life of ruchnios, happiness, health and all good things!

Thank you.

With love,

Rena & Mark Nussbaum

THE ALLEN NUSSBAUM AWARD FOR EXCELLENCE

Your contribution to inaugurating our Partners in Parnosoh adult education computer classes cannot be overstated. It's highly unlikely that we would be experiencing the success today without your involvement. This award tonight is being presented on behalf of the numerous people who have attended these courses, and in doing so, have gained new employment.

Tomche Shabbos is proud to view you
as a true partner in its work.

May ה' grant you and your family much הצלחה
in good health with אריכת ימים ושנים .

ARI COHEN

YOUTH LEADERSHIP AWARDEE

Your grandparents and parents combine the leadership qualities of the Cohen Family with the *askonus* of the Lazarus Family. Ari, you embody the best of both families in your zeal to help Klal Yisroel in general, and Tomche Shabbos in particular.

At a young age, you show great promise in helping Klal Yisroel address its many challenges in the future.

Tomche Shabbos is proud to view you as a true partner in its work.

Though your family has moved to Florida, you will always be one of us. We miss you at the warehouse.

May ה"קב grant you much הצלחה in
good health and אריכת ימים ושנים .

MESSAGE FROM ARI COHEN

I was fortunate enough to be able to come to the warehouse regularly, learn how to spend my time there wisely, and want to continue helping out thanks to the selfless efforts of a few crucial people who helped me more than I think even they know.

Menachem Kaiman: You drove out of your way countless times to bring me to and from the warehouse, even if it was just for an hour or so. It didn't stop there—you taught me the ropes, ensured that I was always alright, made me feel like I was “part of the team”, and so much more. Even after I had other ways of transportation, I always knew that if there was anything I needed you would make sure it was taken care of in a heartbeat. Because of you I felt comfortable and wanted every Thursday night, like there was someone waiting for me to come and who wanted to see me there. Thank you.

Michael Rosenstock: You keep the warehouse alive and moving. It's amazing to see how you turn a bunch of clueless people who work slower than your grandmother into a well-oiled paragon of efficiency that somehow manages to get everything done almost perfectly every time—and with an ear-to-ear smile. Every week was a party, and the hours flew by under your expert guidance. Things simply weren't the same when you weren't around.

Eli Lazarus: Out of all the bosses I've had in my many years of experience in the workforce, you were far and away the best. I came crashing into your well-ordered world as someone with no idea how things went in the “real world”, and you taught me business skills that I'll have for life. It was truly a pleasure working with you, and you made what could've been a boring and wasted few months into a time of growth and real accomplishment. It's one of my greater regrets that I don't have enough time this year to give the program the attention it needs for me to be a help and not a hindrance, and I truly hope to be able to rejoin you sometime in the future.

Alan Rosenstock: It'd be doing you a disservice to attempt to capture everything you do on a page. I'm just going to thank you for relating to some teenager who you'd never met before and had nothing in common with, for going out of your way to make sure I was always able to participate, for being there with a smile and making me feel like a million bucks for moving some cans of tuna from one corner to the other... the list goes on and on. You are an unbelievably kind person in your private life as well as your public one, and I feel honored to be able to have the small connection with you that I do. You make everyone feel like they are the only person in the world. Thank you for everything you did and do for me, for always dropping every single one of the infinitely more important things you had on your plate to make sure that I had whatever I wanted before I even knew I wanted it, let alone asked for it.

To my parents: You were the ones who put in the real effort for me to come to Tomche, who had to deal with the real inconveniences while I was off having a blast. You made sure that I never lost out on anything by going, that I always had transportation even if it meant that you had to walk home, that I had a quiet place to work even if it meant that you had to do your work out in the middle of everything... you really show me what it means to prioritize Tzedakah above everything. Thank you for being the loving, encouraging, supporting, motivating, and inspiring duo you always are. I love you.

ALLEN NUSSBAUM AWARD FOR EXCELLENCE

The Allen Nussbaum Award for Excellence has been inaugurated by his children Mark & Rena Nussbaum.

It is to be awarded to a person or persons who have made a significant difference in the lives of the unemployed members of our community, be it in the field of education or job placement.

This award is reflective of the person for whom it was named, Allen Nussbaum. Allen loved every Jew, and was loved by all. The downtrodden were of special concern to him. He was always prepared to go out of his way to help a fellow Yid.

May this annual award be an עליה for his נשמה.

הח' רפאל בן הח' יהודה הלוי

For many years, Tomche Shabbos benefitted from a warm relationship with Raphael Levi. All who were privileged to know him, knew him as someone who said little but did a lot. For many years, Ray joined us at the warehouse every Thursday night. When he perceived a need, he responded. And respond he did! From packing in our warehouse to spearheading our pushka initiative, Raphael was always taking charge. He visited people at their homes to either drop off or pick up a pushka. In doing so, to numerous people he became the face of Tomche Shabbos.

His untimely passing has left a void
at Tomche Shabbos that will not easily be filled.

It is an incredible thing for a parent to reach a stage in life where they can look at their child's accomplishments and choices and be able to say my child has something to teach me!

Through your quiet volunteer work at Tomche Shabbos, first at the warehouse, then at the job placement division, you have shown us that no matter what age one is or how little time one has on their hands, if you make time for what is important, you can move mountains.

We love you and are so very proud of your accomplishments!

Dearest Mark,

This upcoming August, we will G-d willing be celebrating our 18th year anniversary. I have watched you grow from a young 19 year old college boy, into a beautiful, generous business man. Your generosity has allowed others to breathe a little easier when their monthly bills arrive. I couldn't be prouder than I am of you. You are truly a remarkable human being. May G-d bless you to always be on the giving end. Give and give whole-heartedly, just as you have always done.

Your father was a very special man. We are so honored to have had him in our lives. Our children, Sandy, Chanina and Lily, learned so much from their Upi. They saw first hand what it is to be a mentch and to always have a smile on their face. Know that your father is proud of you, your accomplishments and your generosity. The Tomche Shabbos Annual Award is a wonderful tribute to his legacy.

In loving memory of our dear friend

ALLEN ע"ה

Whose smile and happiness welcomed everyone in the Camp Regesh office.

In his quiet, subtle way, Allen helped anyone in need and was always there for us to count on.

This most befitting honor and annual award in his zechus is a real tribute to how he led his life.

To our beloved Miriam, Allen's support and backbone, we treasure your friendship and guidance you continue to share.

Congratulations to Mark & Rena Nussbaum on receiving the Guest of Honor award. May you always follow in your parents' footsteps of doing chessed and may Hashem continue to enable you to be busy with the Klal and all the chessed you do.

Herzog Wine Cellars' eight generations

of winemaking has instilled a deep appreciation for our growing regions and the characteristics they bring to our wine.

For Herzog Special Reserves, we harness the influences of California microclimates, from soil to sunlight, to produce award-winning varieties, like the new 2014

Lake County Cabernet Sauvignon.

This Cabernet Sauvignon was grown at an elevation of more than 1,500 feet.

The soil, a rich, volcanic red, is well-drained, allowing for precise irrigation at the most important stages of ripening.

Its taste is a testament to the region and the craftsmanship of the winemaker.

With tremendous respect and gratitude to the
Guests of Honor,

COUSINS MARK & RENA,

who are truly deserving of such an award. Like Tomche Shabbos they are always looking for ways to help others, and like Tomche Shabbos they do so quietly and unassuming, as if nothing was done.

This is precisely the way my uncle, Allen Nussbaum a"h conducted himself. Uncle Allen, An "Award of Excellence" as he was an individual who excelled in so many areas, especially in Bain Adam L'chavairo. Treating every person with the utmost respect and dignity befitting one of Hashem's children. His life personified the mission Tomche Shabbos sets out to accomplish, and thus it is truly befitting to have Uncle Allen's name on an award associated with Tomche Shabbos.

May Mark, Rena and the whole Nussbaum family continue in your father's footsteps by helping others, and be a source of pride to your eternal Father in heaven.

DEAR MOMMY & DADDY,

It is with great honor, privilege, and a bracha to call you our parents. Growing up in a home where chessed is the priority each and every day, goes to show how incredible you are. True בעלי חסד!

You have shown us that the words נעשה ונשמע, first we will act and then we will do, is something you live by. You have implanted within us the true meaning of chessed and that chessed starts in the home. You have set the bar high and we know what you expect from us. It's NOT greatness, good grades, or a great social life, but its the ability to excel in treating each person with respect, dignity and to give to others what they need.

Thank you for continuing to mold us into בעלי חסד. Mommy and Daddy, you can accomplish anything!

This will truly bring closer the coming of משיח!

*Love always your dear children,
Sandy, Chanina, and Lily*

MARK & RENA

There has never been a time that I wasn't amazed by the chessed you both do. One time, while driving with Rena to Brooklyn in the summer, I noticed Rena had premade packages of snacks and water bottles in the front seat. Before having the opportunity to ask her why she had them, the answer became clear. When we got to the FDR, she slowed down, rolled down her window and started handing out snack packages to all the homeless people. This one small act showed me that no matter what you're doing there is always an opportunity to do chessed. And that's exactly what Mark & Rena do. At every chance you get, you both jump at the opportunity to help people and families in need.

Love, Sarah (your fave sister!)

MARK & RENA

For as long as I can remember, you have always been trying to find new ways to give in any way possible.

For example, when you heard of students who couldn't afford their yeshiva tuition, you hosted a fundraiser so that these students could maintain their Torah education. Another example is, ever since Rena learned of the opportunity, she has donated her time, at least once a week, to a soup kitchen. Rena dedicated herself and her Wednesday mornings to aiding those in need. Many lessons can be learned from the Nussbaums and their generosity to their community. I am so glad that you are receiving the recognition you well deserve. You are the best role model a sister can have.

Sincerely, Avigayil
